

Subject Line: Monday Update 9/12

Dear Residents,

Here are our updates for the week.

- **New parking permits**

Please come to the office to pick up your new parking permit before the end of the month. **Everyone needs to re-register during the month of September.** Blue permits will no longer be valid starting October 1st.

- **Pedestrian Gate Installation**

The gate connecting Huntington Place to Zanewood Park will be installed **this Wednesday, September 14th**. The schedule for the day will be the following:

- **8am-11am: Exit Lane closed**
- **11am-3pm: Entry Lane closed**

Final programming of the gate will not happen until later this fall. Until the entry checkpoint security project is complete, **the pedestrian gate will be open from 6am to 2pm. It will open again at the end of each school day (3:55pm) for 20 minutes to allow students back through.**

- **Thank you for turning in your work orders!** We're getting a lot of good information about the condition of your apartments. A reminder that, **if you need something done in your unit, please communicate with us so that we are aware and can act on it.** You can submit maintenance and pest control needs through Rent Café or by calling the office.

- You should expect to hear from us within 3 business days. If you haven't heard from us after 3 business days about the status of a work order, please feel free to follow up with us.
