

Subject Line: Monday Update 10/10

Dear Residents,

Here are our updates for the week.

- **100%-unit inspections** – Over the next couple of weeks, we will be completing inspections of all units at Huntington Place. If you will not be home during work hours, **please leave us a list of any work orders you need completed.** Our maintenance team can look at them while they are in your unit.
- **Pest Control** – We complete pest control service every Thursday. If you need service in your unit, put in a work order to be added to the weekly list.
Remember: if there is a minor alone in your home, our vendor will be unable to complete pest control service. Please plan so there are no minors home alone when pest control comes to your unit.
If you've changed your locks and we can't access your unit, you will be charged – if we can't get into your unit, we can't treat!
- **New parking permits** – As of Saturday 10/1/22, you must have a new parking permit to access the parking area. Blue (old) permits are no longer valid. **Only the new (orange) permits are valid now.**
- **Here are the activities coming up at Huntington this week:**
 - Wednesday, October 12th at 12:00pm – Bingo (in the Clubhouse)
- **Pet Policy Reminders** – A reminder that all pets must be registered with the office. **If we find a pet that is not registered, we will give you a lease violation and a \$500 charge each month** until the pet is either registered or removed from the premises.
