

Subject Line: Monday Update 10/3

Dear Residents,

Here are our updates for the week.

- **New parking permits** – As of Saturday 10/1/22, you must have a new parking permit to access the parking area. Blue (old) permits are no longer valid.

- **Here are the activities coming up at Huntington this week:**
 - Saturday, October 8th at 12:00pm – Women’s Bible Study (in the Clubhouse)
 - Tuesday, October 4th at 5pm - Women’s Support Group (in the Clubhouse)

- The continued maintenance issues caused by misuse of the toilets causes all plumbing on the first floor to back up. Please remember to take precautionary steps in maintaining the bathroom toilet – **only toilet paper should be flushed**. Please be advised that **management will charge a fee to those who are causing continuous plumbing issues** by failing to follow these guidelines.

- **Please continue to turn in your work orders!** You can submit maintenance and pest control needs through Rent Café or by calling the office.

- **Pet Policy Reminders.**
 - Aeon requires all households wishing to bring pets into its buildings to read, understand and abide by the rules outlined in the Pet Policy.
 - Pet owners must register their pets or visiting pets with Management before the pet is brought on premises and have written approval by management.
 - Pet owners must immediately pick up and dispose of all pet waste on the building’s streets or grounds.
 - Pets are to be leashed, and in the custody of a responsible party who can physically control the pet, whenever they are outside the Resident’s apartment.

- Pets shall not be allowed in any common area (including but not necessarily limited to lobbies, community rooms, halls, laundry rooms) of the building, except to enter or exit the building.
