

Subject Line: Monday Update 3/13/23

Dear Residents,

Here are our updates for the week.

- **Unit Inspections** – We’re wrapping up inspections. We will now start going through those homes and fixing whatever work orders we’ve found. Keep a lookout for notifications about that maintenance being done in the coming weeks. **Maintenance is happening now and is ongoing.**
- **City Inspections** – The city is inspecting every unit on the middle floor of every building. On Tuesday, they will inspect the 5849 building.
- **Pet Policy Reminder** – A reminder that all pets must be registered with the office. **If we find a pet that is not registered, we will give you a lease violation and a \$500 charge each month** until the pet is either registered or removed from the premises.
- **Construction on Huntington Community Room** – A reminder that capacity in the office is limited due to construction. Please call the office if you have any questions.
- **Winter Parking** – Remember that you must move your car for plowing – failure to do so is grounds for towing.
- **New Resident Referrals** – Have a friend or relative who would like Huntington Place? Refer them to live here! **If your friend moves in, you will receive a \$500 rent credit.**
- **Here are the activities coming up at Huntington this week:**
  - **Women’s Group** – Tuesday, March 14, 6:00-7:30pm
