

Monday Update 5/22/23

Dear Residents,

Here are our updates for the week.

- **Swimming Pool Update** – As you know, **the pool is undergoing massive renovations, and it won't be open this season.** That said, we have lots of splash events and other water-related activities planned for the summer. Keep a lookout for those activities on the calendar!
- **Community Garden** – We are looking for volunteers to help with the garden this summer. Reach out to Mary in the office for more information!
- **RFID Stickers & Main Gate Access** – Please come to the office to receive your RFID sticker. At the same time, we will update your fob access to include the main gate.
- **Pet Conduct Reminder** – Please remember that **pets should be kept on leashes any time they are outside your apartment.**
- **City Inspections** – The city will complete the last of their inspections this week. This Tuesday, they will inspect all units on the middle floor of the 49 building.
- **YMCA Programming** – There are still openings for YMCA After-School Programming! Youth in the after-school program will receive priority for summer programming when the school year ends.
- **New Resident Referrals** – Have a friend or relative who would like Huntington Place? Refer them to live here! **If your friend moves in, you will receive a \$500 rent credit.**
- **Here are the activities coming up at Huntington this week:**
  - **Men's Group** – Wednesday, May 24, 5:00-7:00pm
